

SUNDAY “Weekly”

For the week of September 10, 2023

Our new sermon series begins this weekend. It is entitled, “Walk Worthy”. It is based on a powerful chapter in the New Testament, Ephesians Chapter 4, written by the apostle Paul when he was in custody under house arrest by the Roman government. This Sunday, Pastor Tim will focus on the series main theme based on Ephesians 4:1-6. To get you thinking and prepared for the sermon, here are some questions to answer while you study God’s Word.

1. Are you living your life in a manner worthy of God’s calling on your life? Why or why not? What do you need to do differently? What has God called you to do?
2. Describe how followers of Jesus should demonstrate love for one another? How are you seeking to love people in this way?
3. Are you making every effort to keep unity among your fellow believers? What does unity in the church look like? In what ways are you building unity?
4. Why is unity essential for followers of Christ? What happens to our witness when we have disunity?
5. How is God using you to build up His church?

The “big idea” of the series is as follows... this four week series examines the freedom we have in Christ to live as His disciples. However, our freedom is not an excuse for sinful and selfish behavior. We are called to imitate Jesus. We are called to serve others. We are called to be disciples and make disciples.

Don’t stay home this weekend; come and visit with us and join us for worship and fellowship as we grow together and live on mission with the Holy Spirit leading us.

We believe that through prayer God releases His power on behalf of our children and schools. Our faith is in God who hears and answers our prayers. The Core Purpose: Mission Statement: Moms in Prayer International impacts children and schools worldwide for Christ by gathering mothers to pray. Vision Statement: Our vision is that every school in the world would be covered with prayer.
