PRESCHOOL

Pre-K CLASS

About Our Class

Our Pre-K program is designed for children entering kindergarten the next school year. The program provides a fun filled experience for the child in a Christian setting. The children will be exposed to readiness skills in the areas of numbers, letters, and writing. Children will learn through themes that will include art, music, science, and social studies. Colors, shapes, and name recognition will be reviewed. Experiences will include music, large and small motor skills, and art. Children will play in the gym or on the playground each day. One Parent Day will be planned in April. Holiday celebrations and an end of the year parent program are planned.
